

**POSTAGE RATE:** by Measurement

Actual postage price will be determined after the mailing list has been processed. Postage rates & turnaround listed below are rates for bulk mail based on USPS Machinable finish size of the mailing piece. Mail pieces must meet USPS Aspect Ratio (machinable) to receive rates below. Postage must be paid after mailing list has been processed prior to product mailing. There will be an additional fee for postage that is exchanged to a different class of mail depending on the circumstances of order. **Any time sensitive promotions are recommended to go as First-Class mail.**
